Code of Conduct

Show courtesy at all times to other users.

Be friendly and welcome visitors to the park.

Be patient with younger members and inexperienced riders and skaters, advise them on the safe use of the park.

Wait until the obstacle is not in use before attempting to use it! Failure to do so can result in collision with other park users.

A run constitutes the use of any given obstacle or combination of obstacles until the continuous motion comes to a stop. For example, a skateboarder jumps off their skateboard, fails to pull off a trick or stops after an obstacle, the run is over.

When your run is over, withdraw from the course to a position outside the obstacles. Wait until all other users have completed their run before attempting to use any obstacles.

If someone receives an injury. HELP THEM

Pride in the Park Campaign

This park is built for enjoyment of everyone.

It is the responsibility of every user to keep the park clean and tidy. If you see any rubbish - put it in the bin. Don't allow anyone to graffiti your park. If you respect it others will too.
